KORU SERVICES, 7 REDAN ROAD, KAITAIA

What is Te Pae Tawhiti?

Te Pae Tawhiti is a strengths-based, Te Ao Māori programme that supports 15 – 24 year old Rangatahi to either stay education, find opportunities into study or courses and move into employment or career.

Based at Koru Services, Redan Road, Kaitaia, and servicing Te Hiku o Te Ika, Far North, Te Pae Tawhiti walks alongside Rangatahi in their haerenga [journey] to connect with whānau, their peers and community, improve self-worth and confidence, and obtain the skills and training to stay engaged in learning, training or meaningful employment.

What to expect?

- Rangatahi will develop a stronger, more positive identity with knowledge of whakapapa, where they are from and connectedness to their people and Te Ao Māori.
- A tailored pathway identifying their aspirations, talents and the supports that they need.
- Exposure to spaces, faces and experiences to look at oneself and consider the what next with confidence.
- To be open to opportunities to join educational programmes and take up study or employment.

Self referrals and referrals from whānau, community organisations or other agencies are welcome. Spaces are limited.
